

New Cross Country Area

Last Updated Monday, 02 April 2007

^ x/c work party needs your help now!

^

The new cross country area that we've been negotiating on needs a big hand^ NOW so we can get this spot up and running for the^ cross country^ events.^ Its not hard work and you will have some fun, so let Ken Kroppmanns know when you^ can be there, and he will give you directions.^ Don't forget to bring a lunch, something to drink, gloves and a hand saw or loppers.^ If you prefer,^ you can^ meet them at the Castle Pub at the Sooke River bridge^ for breakfast between 9 - 10 Sunday mornings so call him at 642-3924^ between^ 9-5 - Tues to Saturday.

Update: The work party was held on Sunday, April 1st.^ Thanks to those who attended.
