The VMC is a volunteer organization. As such, all events are done for the members and public, by the members. Volunteering to help on one of the events is the best way to get to know people and to help make a good name for yourself, along with making the event a success. Check the Events section to find upcoming events and then contact the organizer listed on the poster, to offer to help out.

Aside from being one of the entrance requirements, volunteering some time is educational, often good fitness, and a fun way to become more a part of this club that we all enjoy.

WHERE ARE EVENTS HELD Events are held in several locations. Please see the event notice/poster to see which venue is being used. Some of the common venues are: VMC club property location map Tansky location Street rides are held in several locations. Please see the event poster for your event.

How can I become a member

New and prospective members, please contact one of the event organizers from the Events Calendar to offer your help and complete your required volunteer activity to become a member of the VMC.
