

What is the VMC?

Last Updated Friday, 03 April 2009

The VMC or Victoria Motorcycle Club is comprised of approximately 250 members mostly from the greater Victoria and Vancouver Island area who maintain a keen interest in motorcycles of all types. Â There are members of all ages and all demographics.Â Established in 1927, the VMC has provided a healthy passtime for literally thousands of members throughout the years and will hopefully continue to do so well into the future.

Â
