

Riding area at Jordan River. Gallery

Last Updated Wednesday, 21 May 2008

Pics of trail clearing at the new riding area near Jordan River.Â Courtesy of Rodger Longstaff.Post:
Many thanks to Mike Charchuk, Doug(salmon boy) Cross, Rodger Longstaff, and Charlie Parker. These energetic young men, swung blades, cleared brush, chain sawed, blazed through brush and trees. Under sun, hail, snow and rain so that one day you will have a place to run cross country events. Kenco.
