

# Cleanup and campout 2008 part 1

Last Updated Friday, 30 May 2008

A collection of images from our first annual spring cleanup and campout.Â Thanks again for all of the hard work by many volunteers.

Â

Â A little light headed

A big thanks to everyone who contributed their efforts to make this event a success with over 50 attendees on Sunday.Â Many parts of the property are looking like a well groomed park now due to a significant amount of work by all involved.Â This was a great start to a good year and this type of participation is just what the club needs to ensure a strong season of quality events.Â Â Specifically, thanks to the following people who attended the cleanup weekend.
