NUTS IN MAY ROAD RIDE

MAY 23, 2021

A great day for a ride and a good way to shake off the covid pandemic blues! Thirty-four riders (twenty-four members and ten non-members) signed up, still under covid rules, at the Westshore Shopping centre. Started in 1975 by Dave Shepherd, the event had the usual "nutty" theme with some questions to be answered on the route sheets that involved nuts. Riders were also asked to guess the number of peanuts and nuts in a jar prior to starting which was a tie breaker. The 250 kilometre event used many back and side roads on the lower island which went as far up as Ladysmith. There was a number of DNF's for whatever reason and some riders didn't hand in the completed route sheets consequently the results only show sixteen as completed. It was a fun ride with no rain..

There were no other route sheets handed in DNF's ??? Casualties ??? Apathetic ???

Too embarrassed to be scored ???

Mike had a flat (screw) and got roadside assistance from Dave Brown which was the only incident to mention.
