

VICTORIA MOTORCYCLE CLUB RESULTS

PAPER CHASE ROAD RIDE RESULTS

Changeable weather kept some riders away from entering this age old event but fifteen riders and two passengers signed up on Sunday, June 13th at the Royal Oak Shopping Centre. The event was started in 1947 by Les Blow, a VMC member and owner of Les Blow Motorcycle Sales. A pre-event riders meeting was given by the organizer (once again) Rick Kool and route sheets were handed out. Riders were to document their mileage at given check points and also the address numbers of various schools along the route.

The course went through several neighbourhoods of Victoria leading to the scenic Esquimalt Lagoon road and the backroads of Metchosin. After a 2 1/2 hour ride the event ended at Cycle Park, the club's property on Happy Valley Road. The tie breaker was to guess how many spokes were in a bottle. The event was purposely kept short this year as covid protocols were in place and there was no lunch stop. It was a fun ride with No rain !!
