NUTS IN JULY ROAD RIDE RESULTS

This years Nuts in May was postponed until July as the organizer, Graham Turner, was holidaying in the UK for the month of May. Unfortunately only twelve riders entered the event at the West Shore Shopping Centre on July 17th despite the threat of rain. There were reports of slight rain but for most part the weather co-operated. Riders started at 10 am sharp to ride throughout several municipalities. As usual there was a mileage element as well as some tricky tasks, some of which were nut themed. There was also a tie breaker at the end—to try and guess the number of nuts, both machine and peanuts, in a jar. This turned out to be unnecessary as there were no ties. Graham's tricky and secret scoring system was, once again, based, as he put it, on the size of the bribes !! There was a large range of demerit points from 8.1 - 107.7 to the guy at the low end of the score sheet so, to not embarrass those riders, only the top three are revealed !!

Thanks to all that came out ——— see you next May. Graham Turner.

1st - Russell Blow

2nd - Mike Iverson

3rd - Phil Turner (non-member)
