HILLCLIMB RESULTS - OCT. 2, 2022

It was a drought of three years but Sunday, October 2nd saw the start of the VMC's annual Hillclimb at the club's property on Happy Valley Road. Forty riders signed up to challenge the short but fast hill in bright, sunny weather. Youngsters with small wheeled bikes were the first to try which had the crowd enjoying their attempts. There was a number of different classes including the Island Championship FW Francis and the Club Championship Paul Girardeau. These were reminiscent of the Mount Douglas Hillclimb which ended in 1983. It was a fun day with dust, rocks and hot dogs that all enjoyed.
