

VICTORIA MOTORCYCLE CLUB RESULTS

The Boomer Trial 2024

The second annual Boomer Trial organized by the Gronow family with help from other members and volunteers, took place on July 14th at Cycle Park in Metchosin. Held in conjunction with the Trials Des Nations team school, ten sections were laid out for the twin shock and mono shock bikes on the lower portion of the property as the fire ban had closed the top section above the enduro course.

There was a total of eleven riders on a variety of bikes and all enjoyed themselves on a sunny, warm day. Burgers were flipped during the day and all proceeds went to the Trials Des Nations team for their trip to Spain in September to compete for Canada in the International Trials Des Nations event. The TDN school took place below the Boomer Trial sections as it was also raising money for their trip.

Mono Shock

1/ Steve Fracy	Fantic 305	1
2/ Logan Hitchens	Vertigo	4
3/ Paul Gronow	Beta TR 32	5
