

ECONOMY ROAD RIDE - August 17, 2008

THE ECONOMY RUN WAS HELD ON SUNDAY AUGUST 17, 2008 STARTING AT TIM HORTONS ON MILLSTREAM RD. THE WEATHER THIS YEAR WAS MUCH BETTER THAN THE POURING RAIN WE HAD LAST YEAR WITH IT BEING VERY HOT AT THE START. THERE WERE 13 RIDERS AT THE START WITH THE RANGE OF MACHINES FROM A 225 DUAL SPORT TO A 1800 GOLD WING AND A 990 CAN AM SPIDER THREE WHEELER. THE RIDE WENT OUT TO PORT RENFREW WITH THE TEMPERATURE COOLING OFF ONCE PAST SOOKE WITH A HINT OF FOG ALONG THE COAST. AFTER LUNCH IN RENFREW THE RIDE HEADED TO LAKE COWICHAN ON THE NEWLY PAVED (EXCEPT FOR 5 K) ROAD. THE TEMP IN RENFREW WAS 13 C AND BY THE TIME THE RIDERS GOT TO LAKE COWICHAN THE TEMP HAD CLIMBED TO 34 C. FROM THERE THE RIDE WENT THROUGH DUNCAN AND KOKSILAH TO END AT THE SAVE ON GAS AT BENCH RD . BARB LOHRMANN AND DAVE MOORE MUST OF PUSHED THEIR (CHEATER) BIKES PART OF THE WAY AS THEY BOTH GOT OVER 40 KPL WITHOUT A HANDICAP. DAN MATYCHUCK WAS 3RD ON HIS 1200 KAWASAKI FOLLOWED CLOSELY BY THE REST OF THE FIELD. I WANT TO THANK EVERONE FOR COMING OUT AND RIDING A NEW ROAD ON THE SOUTH ISLAND. THIS WILL BE THE LAST YEAR THAT I 'LL ORGANIZE THIS RIDE SO IT WOULD BE A GOOD OPPORTUNITY FOR ONE OF OUR NEWER MEMBERS TO PUT ON A STREET RIDE.
