

The Rick Wells Trial, named after a former member who was tragically killed while riding solo on a sidecar event in the 60's, was held Oct.25<sup>th</sup> at the VMC Club property.

Thirty riders competed in the various classes. with two separate loops being used. This made for a challenging tour of the VMC's 172 acres. A few light showers throughout the day kept the event interesting and stimulating.

Thanks to the committee...Thomas Cordner, Andrew Watson, Ryon Bell, Derek Newton, Dave Nunn, Dave Fair, Liam & Dave Malone for trail & section building...Sign up, scorekeeping & BBQ duties were taken care of by Susan Fair, Steve Manzer, Richard Packham, Paul Beland & Keith Wilson.
