Tie breaker for 2nd. and 3rd. was the secret average speed. (60kph.) Rick was 64minutes. for 63.9 kms.

Both riders found the flying pig and the dead poet as well as having the same total point loss.

Fourth place was Alan Holmes on his vintage Honda 360 with a loss of only -16pts.

The nut experts were Sharon Hughes and Rodney Katz.

Many thanks to Charles and Judith Job for handling the #2 check at Cherry Pt. Rd.

The entire field of 11 participants enjoyed the outstanding service and cuisine of the Cobblestone Pub whilst also taking in the hockey game.

Hey - it did not rain. Where were the other 20 or so anticipated riders??
