They started under good weather and, following their route sheet, made their way up island. The winners were:-

1/	Martin and Ann Britney	BMW	7 points
2/	Mike Iverson	Kawasaki	7 points
3/	Barb Lohrmann	BMW	9 points
4/	Allan Holmes	Kawasaki	9 points
5/	Mike Deschenes		10 points

- Ties were broken by best performance to the last checkpoint.
- Winner of the “unofficial” poker hand was Dave Bissenden taking home \$85.00

In the evening of the 4th, member Monte Belson had arranged private tours of both the Western Vancouver Island Industries Heritage Society shop and the train museum of the Alberni Heritage Society. Many of the entrants took advantage of the tours and enjoyed them thoroughly – thank you Monte !
