

The annual Field Meet was held at the club property on Happy Valley road on May 25th, 2014. The committee included: brothers Brent and Jon Roler, Russ Thornton, Chris Hall, Kirk Miller, Matt and Lily deTurberville, Rick Kool and myself, John Gronow. Sadly, there were only 10 riders but we did have good support from an enthusiastic group of spectators! There were many heated rivalries between the club members with lots of chatter about who would reign supreme, but it was really a family oriented event. Steve Fracy was the ultimate victor for the day taking the event for the first time in his riding career. He matched his father Jim Fracy's victory in 1967 but has got a ways to go to catch up to his younger brother Dave, who has won the event 3 times. No young kids rode the event but there were two eager Wogettes who had able bikes but difficulties using the clutch and the throttle. Sponsors for the Gronow granddaughters included Tim Watling who donated a 1974 TY80 for both Kayla Gronow and Lily deTurberville and uncle Gary Gronow who contributed a 1979 PW50 for young Julie Gronow. Food for the day was available from Mr. Tube Steak, and thanks goes to Dave, Susan and Patrick Fair from Gas Gas Pacific who contributed numerous supplies for the event.
