

## VICTORIA MOTORCYCLE CLUB BEGINNER TRIAL RESULTS – FEBRUARY 6, 2016

The Les Blow Beginner Trial on February 6th saw 9 riders in 2 classes followed by about 20 family and friends. There was an introductory class of 3 riders where score was not kept, but section checkers offered coaching and support. The "competitive" line had 6 riders. They still received lots of support from parents/checkers and learned many new trials skills and rules. Fun was had by all. Special thanks to Ian Cottier, Brandon Volk, Riley Ferguson, Nik Ferguson, Liam Donaldson, Dave Fair and family/friends for making this event a success. The Saturday format received lots of positive feedback.
