

VICTORIA MOTORCYCLE CLUB RICK WELLS TRIAL RESULTS – OCTOBER 30, 2016

Taking a respite from the rain, thirty-six riders signed up for the annual Rick Wells Trial held at the Club's property on Happy Valley Road. Rain on the previous few days had made for slippery conditions but all riders handled it well and enjoyed themselves.

The Expert course design was handled by Brandon Volk and Riley Ferguson while Steve Mawer, Kevin Ash, Sean Millard and Trevor Miller set up the Junior/ Intermediate course. Three loops of ten sections each were laid out.

Thanks to the volunteers for sign up/scorekeeping: Darren Reeves, Brian Moore as well as Ryan & Ethan Young.

It was nice to see the small wheel beginner class going again, fun to watch the stars of tomorrow...
