The Grind Hare Scramble—Oct 14, 2018

A warm, sunny day greeted the 62 riders who entered the VMC's "The Grind" held at the club property on Happy Valley Road. There was perfect soil conditions from the rain that ended a few days prior and the rocks were dry so traction was at a premium.

There were 11 classes signed up to race with a Women's class totalling 6 entrants. Timing and race start was at the bottom of the hill climb and the hill was used as part of the course. The 9 kilometre long loop included the Hill Climb and the Endurocross course and the fastest lap was approximately 22 minutes.

Thanks to our sponsors for their support for this event. They are- **Rockwood Slingers , Delta Marine Services, Rainhouse, Fastenal and Lordco. Motovan** donated a "Technomoose." **Spunky's , STS suspension and Tuff City M/C** each donated a \$50 gift certificate and hat for what is known as the "Hard Charger " award. The **Grind committee** gave away 3 Gibson gummy tires .

There were 3 reported injuries , two of which were ankles and one laceration on the cheek . First aid was on hand to take care of the injured.

There were a few mechanical breakdowns, burnt clutches, broken radiators , flat tires , and a slew of lost kick starters ?, so the technical nature of the property took its toll.

The immediate feedback from the riders was that they loved the course , it was tough enough but totally rideable . Fast for the experts but a good challenge for Novice.

Thanks to the committee and all the volunteers. Dave & Quinn McCullough, Sheena and Isla McCullough and her boyfriend Ash who all "manned" the concession, Tony Wilson , Gord Westerhoud, Kevin Marshall, Bruce Taylor, Darin Reeves, Chris Lichty, Andy James, Peter Pardell
